

Pineapple Music Studio

Practice-a-thon Information Sheet

This fall, Pineapple Music Studio is teaming up with *Musicians on Call* to provide the joy of music to the bedsides of patients in healthcare facilities. By delivering live, in-room performances to patients who are either undergoing treatments or unable to leave their beds, they can add a dose of joy to life in a healthcare facility. Since 1999, Musicians On Call volunteer musicians have performed for half a million patients and their families. You can help us reach our goal of sponsoring 4 rooms for a year by raising \$2,000.00 doing what you already do- PRACTICE!

From October 1st- November 11th, Pineapple Music Studio is holding a Practice-A-Thon to raise funds for Musicians on Call. We are asking each student to participate and help give music to those most in need of it. Each musician will obtain sponsors to pledge per minute the student practices his or her instrument this month or a flat donation. Pledges start October 10th.

HOW IT WORKS:

Set Up Your Donation Page

Visit www.musiciansoncall.org. Click on **Take Action** then **Start a Fundraiser**, then **Become a Fundraiser** to set up your individual page and set your goal. When you register, be sure to join the Pineapple Music Studio Team! You can visit our team page for more ideas about what to add to your individual page. Sponsors submit their donation online on your page, and you can share your page with potential donors. All donations will be collected by secure online submission.

Find Sponsors or Pledges

Start by contacting your friends and family: your parents, grandparents, aunts, uncles, cousins, neighbors, music teachers, and anyone else you can think of! Ask them to pledge a certain amount for every minute practiced (ex: \$0.10/minute) or pledge a flat donation (ex: \$50). Use the [Sponsor Sheet](#) to track your pledges. You can find out more about Musicians On Call by visiting their website at www.musiciansoncall.org.

Keep Track of Practice Time

From **October 10th through November 5th**, keep track of your minutes practiced on a [Practice Log](#). **At the end of the month, total up your time, and then both you and one of your parents sign the form to verify the total.**

Collect Donations

At the end of the Practice-a-thon, you will compute total donations and collect the money pledged. Sponsors can submit their donations on your individual donation page. All money must be turned in by November 11th. Turn in your sponsor form and your Practice Form to your teacher by November 11th to be eligible for special prizes and recognitions!

What counts as practice time?

Any time spent time on your instrument playing, working on lesson assignments or performing your recital pieces for other counts as practice time. Your lesson time does not count as practice time.
