

**\$99.<sup>99</sup> Cyber Lesson Package**  
**4 Private 30 Minute Lessons**

### **Here's how it works:**

- Register for our cyber lesson package and receive 4 private 30 minute cyber lessons.
- Schedule your lessons with your teacher. You decide what weeks you are available!
- You'll need a computer/tablet and webcam for lessons, as well as an instrument for practice and instruction.
- Students will learn to play a variety of pieces, learn music theory and play musical games according to their ability and interests.
- Give your student the gift of music and get them started on the journey of a lifetime!

### **What to expect during cyber lessons:**

- You'll learn to play new music, study theory and engage with the teacher. The teacher will give you a list of any materials and supplies needed before lessons begin.
- Place your camera or device so the teacher can see the student's hands and face. It is best to include as much of the instrument as possible.
- We ask that an adult is present during all cyber lessons.
- Limit distractions and noise in the room for the student.
- Make sure all the needed books, assignment book, and a pencil are available. The student will need to make marks in their own notebook and write down their assignments.

### **Studio Policies:**

- This offer is only available for your first month of enrollment. Regular tuition is \$150/month and includes access to all of the opportunities offered through the studio! Cyber Lessons only tuition are \$130/month.
- Cyber lessons are suitable for ages 8 years and up.
- You must have an adequate instrument in your home for practice and instruction.
- An adult must be present for all lessons.
- Payment is due upon receipt of your first invoice.
- Lessons that are cancelled with less than 48 hours' notice or are a no-show, will not be credited for a make-up.
