About us

What we offer:

We provide lesson convenience by traveling to our student's homes; confidence in our individualized lessons; and connection to other music students through recitals and studio-wide events!

Mission Statement:

Pineapple Music Studio exists to provide families with creative and quality music lessons in their homes. It is our goal to know and teach our students on an individual basis while providing the benefits of being part of a studio without having to go to one. At each lesson, we strive to help students enjoy the experience of learning to make music so they will be life-time participants in the appreciation of music.
